# TRUCKS POST CARD

CARTE POSTALE

*By Appointment*

FOR ADDRESS ONLY.

Durley Chine. In November 1902, the West Over-cliff Drive was opened. It extends from Durley Chine on the East to Alum Chine on the West, winding along the Western Bank of the beautiful Chine shown in the picture. It is a pleasure-garden with its natural attractions undisturbed; the sand-dunes forming picturesque objects in the landscape, and the heather adding welcome touches of colour to the scene.
